#1 To sign up for your own free account, visit zoom.us/signup and enter your preferred email address. You will receive an email from Zoom (no-reply@zoom.us). In this email, click Activate Account.

#2 You can then login to your Zoom account on the web at any time, at zoom.us/signin. Once you're logged in, use the panel on the left side to navigate the Zoom web portal. You can update your profile, edit your settings, and more.

#3 Before joining a Zoom meeting on a computer or mobile device, download the Zoom app from the Download Center. Otherwise, you will be prompted to download and install Zoom when you click a "join Zoom meeting" link.

#4 Try it out! You can join a test Zoom meeting to familiarize yourself with the Zoom and test your microphone/speakers before joining an actual Zoom meeting. Visit zoom.us/test and click Join.
