
My Visit to the Timken Museum of Art

— **Let's Prepare!** —

I am going to visit Balboa Park and the Timken.

The Timken Museum of Art is located in the heart of Balboa Park between the Plaza de Panama and the Lily Pond.

I am going to the Timken Museum of Art. I will enter through the big bronze doors on the West side of the building.

When I get to the Museum, I will wait patiently as my caregiver checks us in with the Visitor Experience staff. Since the Museum is free, we won't have to buy a ticket.

There are lots of colorful pieces of art for me to look at in the Museum.

I will see the security guards who help keep the Museum safe.

Museum Rules I need to follow:

- I will stay with the adult who came with me.**
- I will walk in the Museum. I will not run.**
- I will not get too close to the art on the wall and I will not touch the art.**
- I will not bring in any food or drinks into the Museum.**

The Museum has many different areas and galleries to see. There may be other adults and kids at the Museum too!

If I am feeling overwhelmed, I can ask the staff at the Front Desk for a sensory kit and noise cancelling headphones to use during my visit.

At the end of my visit, I will leave with the adult I came with.

I can't wait to come back again!
